

# NDT Training Calendar - Year 2010

## Happy New Year!

Lavendar International and Sigma Enterprises is proud to announce the course calendar for the year 2010. Courses are to be held at the new training facilities at the Sigma office at Mussafah, Abu Dhabi.

All courses are BINDT approved and meet the requirements of PCN/EN473. These courses are run by fully experienced and certified lecturers from Lavendar International's UK office. Courses are run in a clean, well lit and spacious lecture facilities with up-to date training equipment.

Candidates attending the courses must have a good level of English in both reading and writing. These candidates who attend the Phased Array and Time of Flight Diffraction courses should be computer literate and hold the relevant UT certification required as a pre-requisite.

**Training Session in progress at Sigma Training Facility at Abu Dhabi**

On arrival at reception you will be greeted by the friendly reception staff of Sigma Enterprises, who will show you the way to our training department. The participants will be provided with lunch and refreshing drinks through-out the course.

The various courses offered by us are

- Magnetic Particles Testing
- Ultrasonic Level II 3.1 & 3.2
- Radiographic Interpretation
- Phased Array
- Time of Flight Diffraction Examination
- PCN ( EN473 / ISO 9712), and
- Other Employer Written Practices based on SNT-TC-1A

For more information on the products, please refer the course calendar in the following page. You may also write to us at [marketing@sep.ae](mailto:marketing@sep.ae) for more information.

Best regards

**Sigma Marketing**
